

Kavyanjali Kaushik (Kav)

Doctoral researcher and former journalist

DoB: 02/09/89

Citizenship: Indian

Work permit: Permanent resident of Spain

Email: kkaushik@pa.uc3m.es

Phone: +34-684283047

Address: Department of Social Sciences

Carlos III University of Madrid

c/Madrid 126, 28903 Getafe, Madrid, Spain

EDUCATION**PhD**, Social Sciences, Universidad Carlos III de Madrid, Spain (Sep 2020 - May 2025 defence)

Thesis: “Nationalist mobilisation in the digital age: The role of social media in driving support for radical right parties”

MA, Social Sciences, Universidad Carlos III de Madrid, Spain (Sep 2018 - Jul 2020)Thesis: “Impact of globalisation and liberalisation on right-wing populism in India” (*Grade: 9.2/10*)**BA**, Journalism, University of Westminster, London, United Kingdom (Sep 2007 - Jun 2020)*First Class Honours and Part-International Scholarship*

Thesis: “Representation of war in photojournalism–pictorial truth of Iraq and Afghanistan wars”

ACADEMIC EXPERIENCE**Doctoral Researcher**, Value Conflicts in a Differentiated Europe - [ValCon](#) (Sep 2020 - Jun 2024)*Research project funded by the Volkswagen Foundation (Grant amount: 980.000 Euro)*

- Led big data collection efforts across 3 social media platforms (Twitter, Facebook, and Instagram) via API-based methods to build public opinion database (1 million+ posts) on democratic values of gender equality, freedom of expression and independence of judiciary
- Developed computational and comparative approaches to analyse social media data spanning 3 years and 6 countries (France, Germany, Ireland, Italy, Poland, and Spain)
- Collaborated on survey design to collect social media engagement, political behaviour and socioeconomic background of 12,000 individuals. Published open source on [GESIS](#).
- Collaborated with 6 team members on publishing 3 peer-reviewed articles
- Collaborated on data collection efforts from 2 newspapers (left and right leaning) in each country and co-authored 2 qualitative codebooks to study actor statements in articles to develop comparative analytical framework for traditional and social media data
- Organised and conducted 3 computational methodology workshops for post-doctoral researchers with qualitative background and research assistants in the project

Visiting Researcher, Public Opinion and Media Lab, University of Milan, Italy (Jan-Feb 2022)

- Assisted lab members with development of social media data collection and analysis design

Teaching Assistant, Historical Sociology, Universidad Carlos III de Madrid (Sep 2021 - Jan 2022)

- Assisted Dr. Kerice Doten-Snitker in developing course materials
- Delivered discussion lectures

CONFERENCES AND PRESENTATIONS

- Annual Conference of the European Political Science Association (June 2025)
Panel Discussant: Narratives, Media Influence and Political Discourse
Paper Presented: UNMASK: An Agent-based Model for Understanding Nationalist Mobilisation on a Social Media Network
- Nationalism and Identity conference, convened by Dr. Covadonga Meseguer (June 2024)
Discussant of paper: Nationalist education in the country of origin and immigrant assimilation at the destination by Dr. Harris Mylonas (George Washington University)
- Thesis Talk finalist (June 2024)
PhD presented: [From Screen to Ballot Box: The Impact of Digital Expression on National Identity and Voting Behaviour](#)
- Annual Conference of ValCon Project (October 2023)
Methods presentation: Analysing Mainstreaming of Anti-Gender Nationalism in European Public Spheres Through NLP
- Council for European Studies 29th International Conference of Europeanists (June 2023)
Organiser of panel: European identity and citizenship in times of political polarisation
Papers presented: UNMASK: An agent-based model for Understanding Nationalist Mobilisation on a Social Media Network; Decoding digital discontent: How interplay of identity and emotions fuel online political hostility
- International Conference on Transnational Political Contention & European Integration (Sept 2022)
Paper presented: Digital networks of nationalism: Radical-right party and movement mobilisation on social media
- European Consortium for Political Research General Conference (August 2022)
Paper presented: One conflict, two public spheres, three national debates? Comparing patterns of value conflict over judicial independence in Europe across print media and social media

- Council for European Studies 28th International Conference of Europeanists (June 2022)
Paper presented: Digital nationalism: Role of social media in driving support for radical-right parties
Paper presented: Beyond the cultural cleavage: Polarisation or differentiation of values in Europe?
- Seminar on International and Comparative Politics, University of Valencia and Universidad Carlos III de Madrid (April 2022)
Paper presented: Digital Nationalism 2.0: Mobilising National Identity and Support for Radical-Right Parties on Social Media
- European Consortium for Political Research General Conference (August 2021)
Paper presented: Value conflicts through social media? Analysing co-authorship patterns and the framing of value research in social sciences (1943-2020)
- Council for European Studies 27th International Conference of Europeanists (June 2021)
Paper presented: Impact of globalisation and liberalisation on right-wing populism in India

TECHNICAL SKILLS AND METHODS

Programming languages: R, Python

Computational Methods: Social network analysis (R and Gephi); Natural Language Processing (R and Python); agent-based modelling (NetLogo and Python)

Quantitative Methods: Causal inference; survey analysis; regression analysis; conjoint analysis

Qualitative Methods: Interviews, media analysis, coding, discourse analysis

Data collection: APIs (Twitter, Facebook and Instagram), Web scraping, LexisNexis, Factiva

ADDITIONAL RESEARCH TRAINING

Spring School Visual Analysis of Social Media Data (ValCon Project, March 2022)

Interviews for Interdisciplinary Inquiry (Universidad Carlos III de Madrid, January 2022)

Conjoint Analysis (Universidad Carlos III de Madrid, November 2021)

DigClass: Social Classes in the Digital Age (Centre for Advanced Studies of the Joint Research Centre at the European Commission, September 2021)

Social Network Analysis (Hertie School Data Science Lab, July 2021)

PSA-South Asia Annual Workshop (Political Studies Association, June 2021)

Research Design with Idea Puzzle (Universidad Carlos III de Madrid, May 2021)

Images-as-Data Dublin Workshop (Trinity College Dublin, December 2020)

Behavioural and Experimental Social Sciences (Universidad Carlos III de Madrid, October 2020)

JOURNALISM EXPERIENCE

Special Correspondent, India Today (New Delhi, India, 2013-16)

India's most widely circulated English news magazine

- Writer and production editor for Simply, a nine-city monthly on cultural and social trends
- Editor of the annual collector's edition of the magazine on exclusive, long-form articles, essays, stories and illustrations by authors and experts of India
